experience for young Europeans from
Germany, Poland and the Czech Republic

26 to 31 July 2016 in Berlin

CALL FOR PARTICIPANTS

Is the European Union the **solution** or **part of the problem**?
How do you as a young person from Germany, Poland or the Czech Republic see your **future** in **Europe**?

SHARE YOUR THOUGHTS AND RAISE YOUR VOICE!

WHAT IS “ENTER:TRUST”?

“enter:trust” seeks to foster a culture of debate and **constructive criticism**, to raise **understanding** for each others opinions and to **regain trust** in European cooperation. It is a summer exchange and empowerment program that brings together 24 young Europeans from the three neighbouring countries Germany, Poland and the Czech Republic. The program is organised by the European Academy Berlin in cooperation with the Polish Robert Schuman Foundation, Warsaw and the Kuro Hradec Králové, Culture and Volunteering. It will take place from **26 to 31 July 2016** at the European Academy in **Berlin**.

WHAT WILL BE THE TOPICS DISCUSSED?

The program gives the participants the possibility to debate on the **German-Polish-Czech relationships**, current European challenges and stereotypes of each other. As we especially would like you to **raise your voice**, the topics touched will be mostly dealt with in interactive formats, such as workshops, group discussions, debates or experimental phases. During the six days you will discuss the following issues:

- Drifting apart in Europe? Problems – perceptions – points of view
- Europe – a part of me or apart from me? Hopes, fears and challenges of the young generation
- Pluralism, Diversity, Integration in Europe – case study Berlin
- Lügenpresse! – Freedom of speech and its limits
- Let’s talk! – Czech-German-Polish impulses for a better communication in Europe

WHO CAN PARTICIPATE?

“enter:trust” is directed to **young Europeans** from Germany, Poland or the Czech Republic who **are between 20 and 30 years old** and who are willing to actively contribute to the workshops and discussions. As all debates will be taking place in English, an advanced command of the English language is obligatory.
