Invitation: Partnering with Taiwan | Dec 5-6, 2024

Dear Ladies and Gentlemen, dear Friends of Taiwan,

We are pleased to invite you to the conference "Partnering with Taiwan," which will take place in Berlin on December 5th and 6th, 2024. This conference is hosted by the German-Taiwanese Dialogue Platform and organized by the European Academy Berlin. It marks the third Berlin Taiwan Conference, following the successful events held in 2022 and 2023.

Over the past five years, Taiwan has gained considerable attention in Germany. This has mostly focused on the heightened tensions in the Taiwan Strait due to the People's Republic of China's aggressive actions. Our conference aims to present a more comprehensive picture of Taiwan: its vibrant democracy, its rich culture, and the numerous opportunities for cooperation, especially in the economic sector, they all merit being on the radar screen, too. Through a series of panel discussions and keynote speeches, we aim to deepen the understanding of Taiwan in Germany.

Venues: On December 5th, the conference will be held at the European House (Unter den Linden 78). On December 6th, we will convene at the Berlin House of Representatives (Niederkirchnerstraße 5).

The conference language is English. An engaging program awaits you. The current draft agenda is linked here [**LINK**].

Registration and participation options: Please register for the conference [**LINK**], as access to the event is only possible with prior registration.

For those interested in passive online participation, the conference will be available via livestream. If you would like to access the livestream, please send an email to the project management team (direktor@eab-berlin.eu) to receive the login details.

We look forward to your participation and to exciting discussions on the diverse aspects of partnership with Taiwan.

Best regards,

Reinhard Bütikofer
